Dear Parent(s)/Guardians(s):

As part of an evaluation of your child, we ask that you complete a BASC-3 Parent Rating Scales form. The BASC-3 is a multidimensional system used to evaluate the behavior and self-perceptions of children and young adults ages 2 through 25 years.

The BASC-3 Parent, Teacher, and Self-Rating Scales offer a comprehensive system for identifying, evaluating, monitoring, and remediating behavioral and emotional problems in children and adolescents.

Please complete the BASC-3 Parent Rating Scales form and return it in the enclosed prepaid envelope. If you have any questions about completing the form, please contact the Cornbelt Cooperative (605-271-0218) or the Special Education teacher in your local school district for assistance.

Thank you for your help.

Cornbelt Educational Cooperative School Psychologists
